Case No. 5:24-CV-00066-JRG-JBB

**AMENDED DOCKET CONTROL ORDER**

As ordered in the March 12, 2025 Order Lifting Stay (Dkt. No. 32), the parties have submitted a proposed agreed Amended Docket Control Order for the Court’s review. *See* Dkt. No. 35. The parties have requested that the September 22, 2025 jury selection and trial date be extended to May 2026. The Court, having carefully considered the status of this case and the recently-joined defendant, finds good cause for a modest extension until December 8, 2025. R. Civ. P. 6(d), in which to serve and file a response and any supporting documents, after which the court will consider the submitted motion for decision.

<sup>3</sup> Plaintiffs who are also Counterclaim Defendants, as well as third-party Counterclaim Defendants, shall designate Expert Witnesses specific to such counterclaims at this deadline.

OTHER LIMITATIONS

1. All depositions to be read into evidence as part of the parties' case-in-chief shall be **EDITED** so as to exclude all unnecessary, repetitious, and irrelevant testimony; **ONLY** those portions which are relevant to the issues in controversy shall be read into evidence.
2. The Court will refuse to entertain any motion to compel discovery filed after the date of this Order unless the movant advises the Court within the body of the motion that counsel for the parties have first conferred in a good faith attempt to resolve the matter. See Eastern District of Texas Local Rule CV-7(h).
3. The following excuses will not warrant a continuance nor justify a failure to comply with the discovery deadline:
  - (a) The fact that there are motions for summary judgment or motions to dismiss pending;
  - (b) The fact that one or more of the attorneys is set for trial in another court on the same day, unless the other setting was made prior to the date of this order or was made as a special provision for the parties in the other case;
  - (c) The failure to complete discovery prior to trial, unless the parties can demonstrate that it was impossible to complete discovery despite their good faith effort to do so.
4. Mediation shall be attended, in person or by video conference, by named parties (if an individual) or by a fully authorized representative (if not an individual) and by lead counsel. Third party insurance carriers who may be obligated to indemnify a named party and/or who owe a defense to any party shall also attend mediation, in person or by video conference, by means of a fully authorized representative. Any remote attendees must attend the entire session as if they were attending in person. Non-compliance with these directives shall be considered an intentional failure to mediate in good faith.
5. Any motion to alter any date on the DCO shall take the form of motion to amend the DCO. The motion to amend the DCO shall include a proposed order that lists all of the remaining dates in one column (as above) and the proposed changes to

each date in an additional adjacent column (if there is no change for a date the proposed date column should remain blank or indicate that it is unchanged). In other words, the DCO in the proposed order should be complete such that one can clearly see all the remaining deadlines and the changes, if any, to those deadlines, rather than needing to also refer to an earlier version of the DCO.

6. **Lead Counsel:** The Parties are directed to Local Rule CV-11(a)(1), which provides that “[o]n the first appearance through counsel, each party shall designate a lead attorney on the pleadings or otherwise.” Additionally, once designated, a party’s lead attorney may only be changed by the filing of a Motion to Change Lead Counsel and thereafter obtaining from the Court an Order granting leave to designate different lead counsel.

**IT IS SO ORDERED.**

SIGNED this the 7th day of April, 2025.
